Put your friends, relatives and colleagues...

in their place!

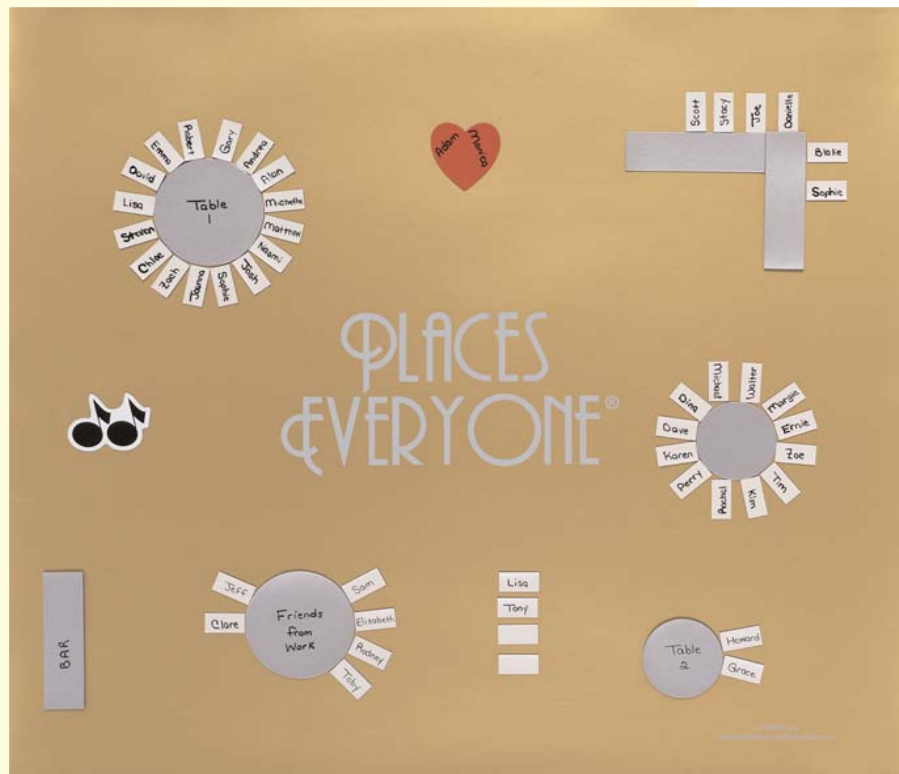

In the past, planning seating arrangements for weddings, Bar/Bat Mitzvahs, communions, corporate meetings and other events has been stressful and boring.

Who is going to sit where? Can Aunt Judy sit with Uncle Joe? What about the kids?

With **PLACES EVERYONE®**, these problems are solved. Quite simply, **PLACES EVERYONE** is the best way to easily organize seating arrangements for any event.

Not computer software, **PLACES EVERYONE** uses custom-designed magnetic pieces that allow you to add, remove or change the location of your guests, tables and even the band or DJ!

**PLACES EVERYONE** is completely reusable and is shipped to you in a gold-colored tube that can be used as a "time capsule" to store mementos from your special day!
